

**Greater Wasilla Chamber of Commerce
2013 Position Statement
Increase Natural Resource Development**

The Greater Wasilla Chamber of Commerce supports an increase in responsible natural resource development, and encourages the Alaska State Legislature and Administration to support and uphold Alaska's strong regulatory permitting laws and policies that will facilitate additional exploration, site development, employment, infrastructure, research, and natural resource production in Alaska.

The Alaska State Legislature, working with the Alaska Congressional Delegation to address change to the public litigant legal environment that adversely impact natural resource development in Alaska, are encouraged to support changes to the public litigant, legal environment that will discourage frivolous lawsuits.

Dated this 10 day of January, 2013 at Wasilla, Alaska.
